

INDUSTRIAL RANGE

TRUE BLUE CHEMICALS

We offer a range of highly concentrated, heavy hitting cleaning, odour control, and degreasing formulations to meet the needs of the industrial sector

HEAVY DUTY DEGREASER	LIQUIDATE - is a heavy duty quick break degreaser and cleaner. LIQUIDATE's remarkable formula contains no solvents or caustic hydroxides, and effectively breaks down and removes carbonised deposits.
MEDIUM DUTY DEGREASER	TOUCH DOWN - Machinery cleaner and quick break degreaser TOUCHDOWN is a water based solvent cleaner and degreaser for use on hard surfaces.
DEODORISER	PERFORM - Deodoriser and disinfectant . PERFORM is a multi-layered chemical compound that attacks malodours on four levels: masks putrid smells, absorbs odour, deodorises and disinfects.
ODOUR CONTROL	KING HIT - Masker, deodoriser and disinfectant. KING HIT is a heavy hitting deodoriser and disinfectant best suited to tackling odours in Industrial facilities where strong odour masking is required: such as waste depots, public toilets and council facilities.
WATERLESS URINAL CLEANER	ARID ENVIRCLEAN CLEANER / TABLETS – Waterless urinal cleaning system combining liquid cleanser and tablets to provide a complete sanitising and deodorising solution for use in urinals. Water savings of up to 99%.
URINAL BLOCK	ENVIRO TABS – urinal cleaning tablets for a water based system ENVIROCLEAN TABLETS 3-way cleaning & deodorising action to dissolve with water and urine and wash down the drain.
GRAFFITI AND STAINS	GRAFFITI REMOVER – is a broad spectrum citrus based graffiti and carpet stain remover that is effective on most solvent based graffiti and carpet stains. Orange and eucalyptus oil formula is environmentally and user friendly.
DEGREASER	OSOLVE –formulated using natural orange oil and sugar cane derived alcohol. Osolve penetrates, solubilises and cleans the heaviest of industrial soils and exhibits a quick break degreasing profile.
DUST SUPPRESSION	SUPPRESSCP20 – is a surfactant, copolymer and humectant based dust suppressant that permeates into the substrate stabilising and binding it.
VEHICLE WASH	TRUCKING KLEEN – vehicle wash and degreaser providing an effective dirt, mud, diesel and general road grime solubiliser.
