

CORE KITCHEN RANGE

TRUE BLUE CHEMICALS

We offer a comprehensive range of highly concentrated cleaning and sanitising formulations to meet the needs of a busy commercial kitchen.

WAREWASH DETERGENT	DISHMATIC L - Chlorinated Heavy Duty Warewashing Detergent, with a built in sanitiser and tannin neutraliser. Dishmatic L is a highly active non-foaming blend of grease cutting and emulsifying agents, designed to process crockery, glassware and cooking utensils through the dishwashing machine.
WAREWASH RINSE AID	RINSE AID - Warewash Drying Aid, RINSE AID is a concentrated super wetting agent which will quickly and thoroughly dry glassware, dishes and utensils.
HAND DISHWASHING	JADET - An ultra-concentrated all-purpose hand dishwashing detergent, aggressive on grease but gentle on hands. JADET has excellent risibility and exceptional hard water tolerance
DEGREASER	DFA100 - Kitchen / Food Processing Cleaner / Degreaser, DFA100 breaks down fatty grease build-ups fast, and is specially formulated to penetrate and cut through proteins, fats, grease, vegetable oil, blood and soap scum on all hard surfaces.
SURFACE SANITISER	WIPEOUT - a food grade sanitiser designed to work as a bactericide to kill bacteria from hard surfaces. WIPEOUT is an effective light duty spray and wipe for general food preparation surfaces, and food service areas.
OVEN CLEANER	SOC - SOC is a highly alkaline oven and grill cleaner which quickly dissolves heavy grease and food build up on ovens and hot plates. SOC de-carbonises, de-crusts and de-fats in one operation
TANNIN REMOVER	PINKCHLOR - Tannin remover, crockery, cutlery and glass soaker
SCALE REMOVER	SCALE OFF - De-scaling agent, SCALE OFF is highly effective in the removal of lime, scale rust and dulling from ferrous and non-ferrous surfaces.
VEGITABLE SANITISER	VEGISAN - vegetable and salad sanitiser
POT WASH	POTSHOT - Low foaming alkaline detergent recommended for automatic dispensing in pot and pan washing machines.
WAREWASH POWDER	KLORDEX - Chlorinated powder, formulated for machine washing of crockery, cutlery and all kitchen utensils. KLORDEX is low foaming and includes a built in rinse aid.
STAINLESS STEEL SOAKER	WHACKIT - An alkaline combination of grease emulsifiers, penetrants and corrosion inhibitors. Cleans, brightens and removes protein and tannin based staining from stainless steel and silver cutlery.
